## Dokument historik

Version	Dato	Forfatter	Ændrings historik/ Kommentarer
T1	19-05-2017	Thomas Madsen	
T2			
A			

Dette dokument følger "Common documentation version numbering standard" til identifikation af dokument versionen. Standarden anvender 'T1' til 'Tn' for udkast versioner og A, B, C osv. for released/godkendte versioner. Versionsudkast imellem godkendte versioner navngives: X<sub>T1</sub>, X<sub>T2</sub> osv. Dvs. sekvensen bliver: T<sub>1</sub>, T<sub>2</sub>, A, B<sub>T1</sub>, B<sub>T2</sub>, B osv. Dokumentet ændres via den formelle ændrings proces.

# 1 Pulse Secure Installation

I dette dokument beskrives installationen af 'Pulse Secure' VPN klienten.

## 1.1 Download

Download installations filen fra følgende link: <http://dbkas.dk.newsite.dk/applikationer/>

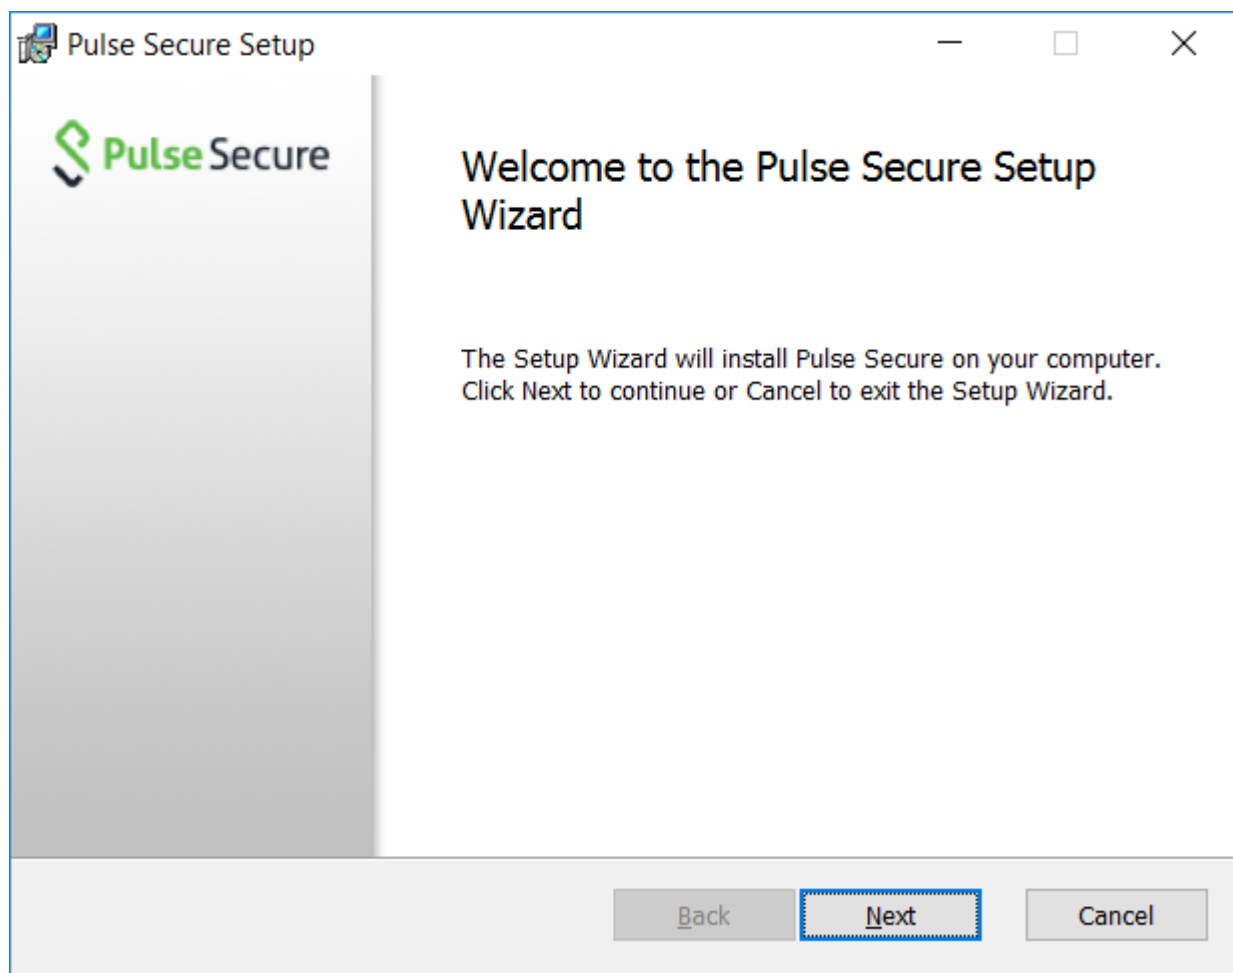

Vælg installationsfil på baggrund af dit Operativ system.

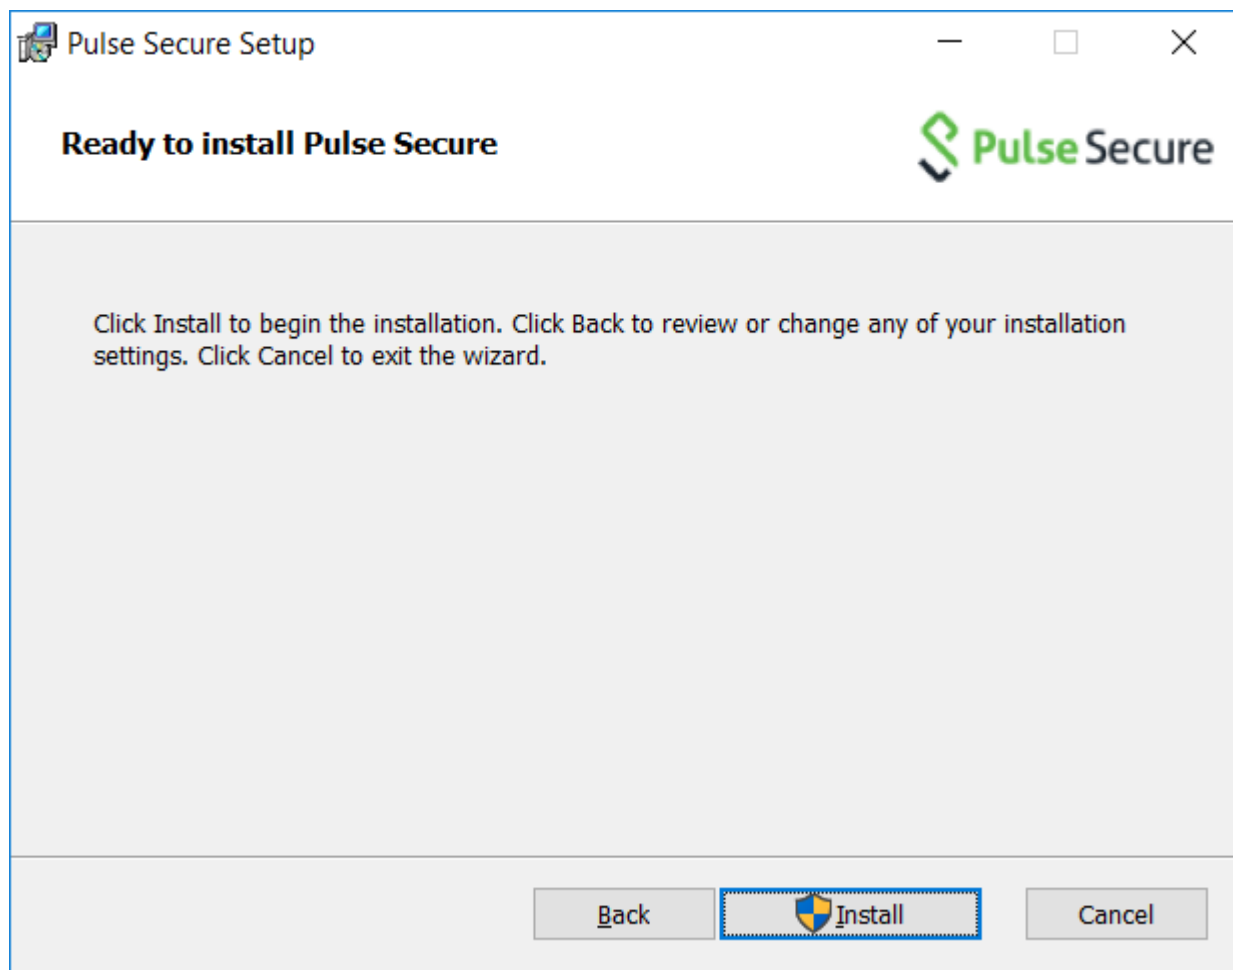

- 32 bit → Download x86
- 64 bit → Download x32

## 1.2 Kør installationsfilen

Følgende vindue vises. Klik next.

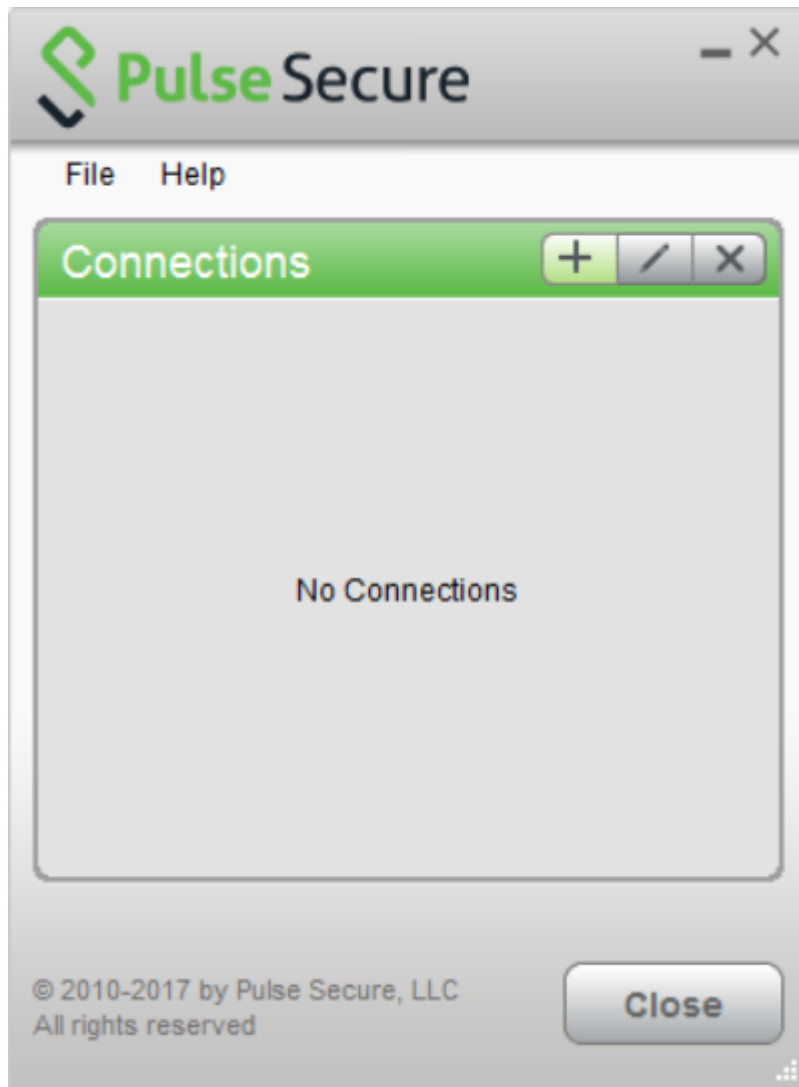

Følgende vindue vises. Klik Install.

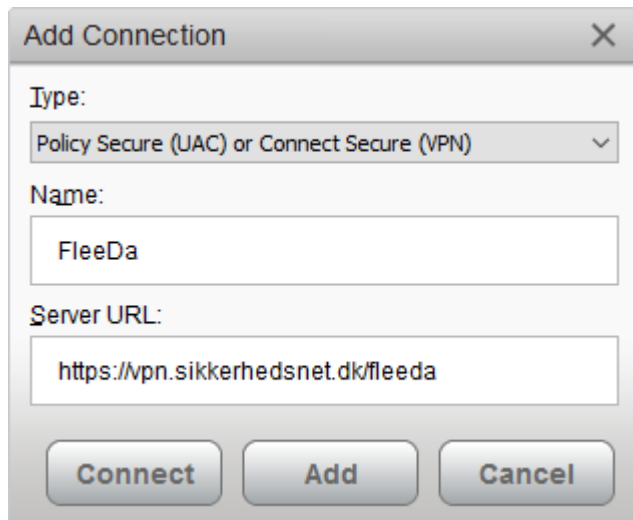

## 1.3 Opret VPN

Klik på +

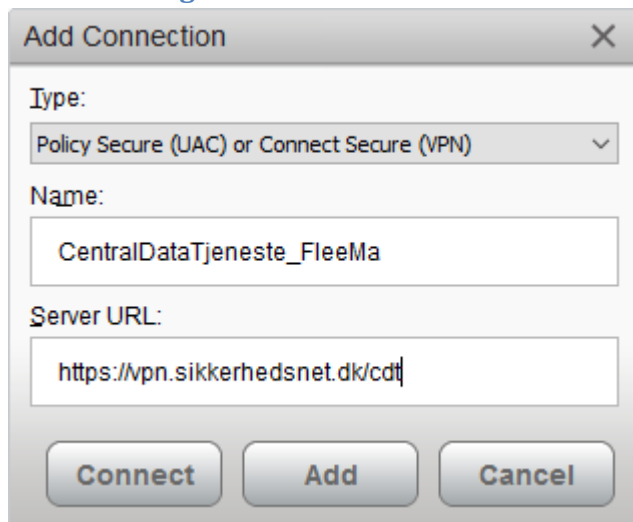

Følgende vindue vil blive vist.

### 1.3.1 FleeDa VPN

The screenshot shows a Windows-style dialog box titled "Add Connection" with a close button (X) in the top right corner. It contains three input fields: "Type:" with a dropdown menu showing "Policy Secure (UAC) or Connect Secure (VPN)", "Name:" with a text box containing "FleeDa", and "Server URL:" with a text box containing "https://vpn.sikkerhedsnet.dk/fleeda". At the bottom, there are three buttons: "Connect", "Add", and "Cancel".

### 1.3.2 CDT og FleeMa VPN

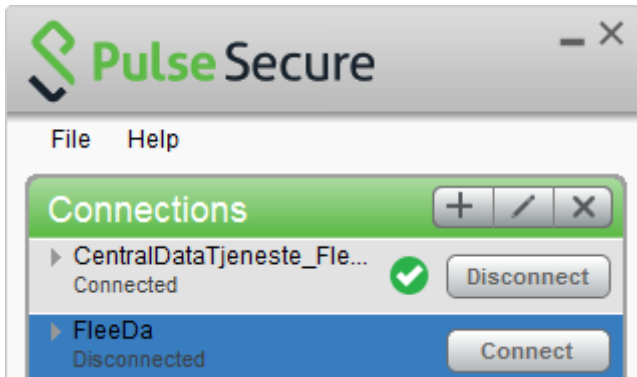

The screenshot shows a Windows-style dialog box titled "Add Connection" with a close button (X) in the top right corner. It contains three input fields: "Type:" with a dropdown menu showing "Policy Secure (UAC) or Connect Secure (VPN)", "Name:" with a text box containing "CentralDataTjeneste\_FleeMa", and "Server URL:" with a text box containing "https://vpn.sikkerhedsnet.dk/cdt". At the bottom, there are three buttons: "Connect", "Add", and "Cancel".

Klik på Add for at tilføje forbindelsen til Pulse Secure.

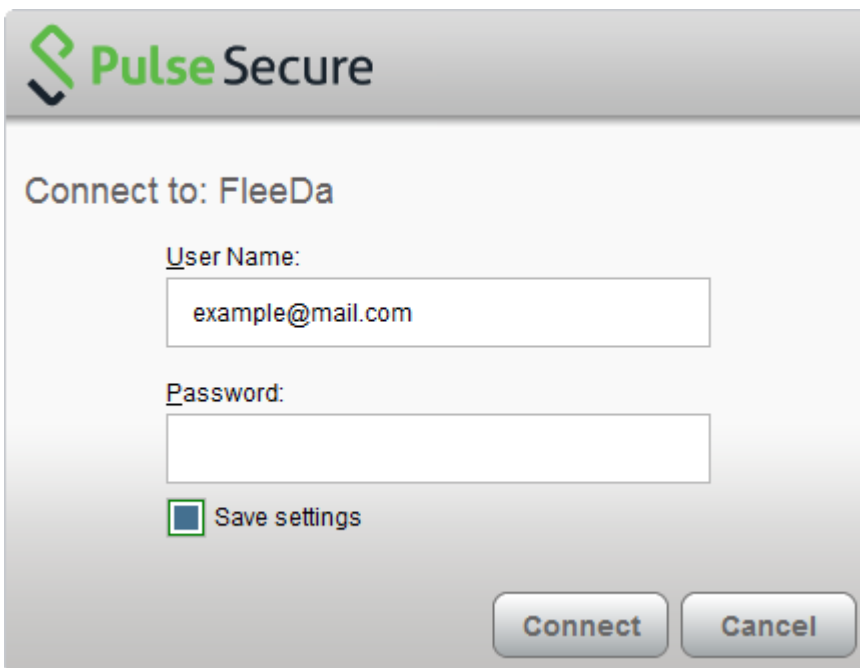

## 1.4 Opret forbindelse

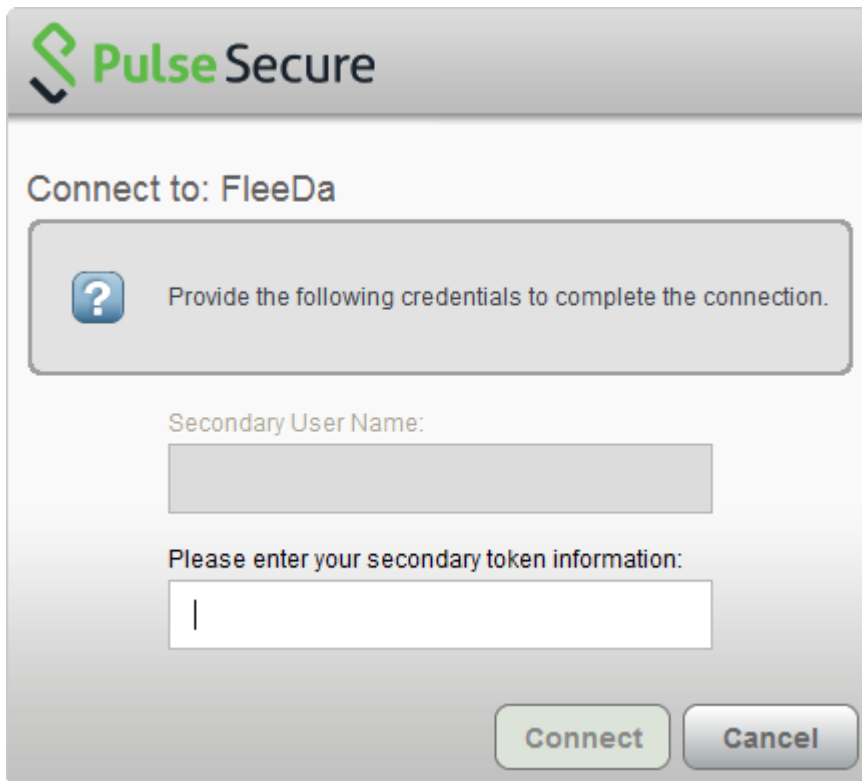

Klik connect på den ønskede VPN

Log ind med dine brugeroplysninger.

Indtast nu token information. 6 cifre fra RSA token.

The image shows a Pulse Secure dialog box titled "Connect to: FleeDa". It contains a message box with a question mark icon and the text "Provide the following credentials to complete the connection." Below this, there are two input fields: "Secondary User Name:" and "Please enter your secondary token information:". At the bottom right, there are "Connect" and "Cancel" buttons.

## 1.5 Forbundet OK
